Year-round contracts may request a half-month credit for vacation taken during June, July or August. It is important that all children return from vacation no later than the first day of the new school year. We do not give refunds for days your child is absent due to illness, vacations, etc. School will be closed for two vacation periods each year. The Christmas-New Year break will be approximately 10 days. School will also be closed for one week in March for spring break. There are a few additional days that the school is closed for holidays and staff training days. We will conform closely to the Kyrene School District calendar for these breaks. These vacation weeks are not counted as part of your child's 180-day regular school year or 240 day year-round school program.

**A \$75.00 non-refundable application fee must accompany the enrollment application. If the child is accepted, this fee becomes the child's activity fee for the school year. If we are unable to accept your child within three months of the desired enrollment date, this fee will be returned to you upon request**
